

Appl. No. : 10/663,383  
Filed : September 16, 2003

### SUMMARY OF INTERVIEW

Applicant's Attorney of Record, Christian A. Fox, would like to thank Examiner Etienne LeRoux for the telephone interviews extended on July 26, 2006, and July 27, 2006. A summary of the interview is set forth below.

#### Exhibits and/or Demonstrations

N/A

#### Identification of Claims Discussed

All pending claims were discussed.

#### Identification of Art Discussed

All art of record was discussed.

#### Proposed Amendments

Examiner LeRoux proposed amending several of the independent claims to include further details relating to the claimed invention.

#### Principal Arguments and Other Matters

Applicant's Attorney of Record submitted that the cited art does not, alone or in combination, anticipate or render obvious the invention recited in the proposed amended claims.

#### Results of Interview

The Examiner acknowledged that the proposed amendments appear to overcome the art of record.
